My Antonia (Illustrated)

Willa Cather

My Antonia (Illustrated) Willa Cather

My Antonia tells the stories of an orphaned boy from Virginia, Jim Burden, and the elder daughter in a family of Bohemian immigrants, Ántonia Shimerda, who are each brought to be pioneers in Nebraska towards the end of the 19th century, as children. Ántonia must work as a servant on the farms of her neighbors after her father commits suicide. She elopes with a railway conductor but returns home and eventually becomes the patient and strong wife of a Bohemian farmer, Anton Cuzak, the mother of a large family and a typical woman of the pioneer West.

My Antonia is considered one of Willa Cather's best works. It is the final book of her prairie trilogy of novels, preceded by *O Pioneers!* and *The Song of the Lark*.
