**Aurora: Global Deception (The Aurora Project Book 2)** Marina Latcko

What if an all-powerful, omnipresent Organization has chosen you to become its member?

What if you're offered the chance and means to right the wrong and to better humanity, bringing wisdom, the good, and the eternal?

What if you're given awesome gadgets, highly classified intelligence, and an agent role in a Mission that will change the conventional course of nature and declare the new world order for the greater good for all?

Would you forget your principles and jump at the opportunity? Or suspect something very wrong is going on and you're being used for some dubious goals.

Would you become their willing pawn or decide to outsmart them despite their 24/7 surveillance?

I have chosen the latter and my disobedience has brought me to the trial and inevitable punishment. Death, this time. Or at least that's what I fear is going to happen to me...
