COMMUNICATING THE TRUTHS BORNE BY OLD TESTAMENT NARRATIVE ART Thomas Mowbray

The purpose of this book is to provide thoughtful reflection on the literature of the Old Testament that may lead to more effective preaching on a biblical text and involve intentionally the hearer in the preaching event. A deliberate attempt is made to place hearer, preacher, biblical scholar, theologian, biblical writers/redactors, et al., into a general scheme of continuous storytelling, retelling, reinterpretation and reapplication of biblical truth. Although cyclical and repetitive in practice, this format offers an understanding of Judeo-Christian human development in general and of Western literary development in particular, which is continuous and linearly progressive.
