## **Did Jesus Exist?: Rediscovering the Historical Jesus** Mark Craig

There are many books about Jesus currently, some of them asking the bold question: Did Jesus even exist? Authors like Timothy Freke and Peter Gandy, S. Acharaya and Kenneth Humphreys are quick to make claims that Jesus is a fiction but only present a limited amount of evidence to substantiate this claim. "Did Jesus Exist?" identifies and evaluates the available evidence and makes a strong case for the high probability that Jesus did, indeed, exist. Accordingly, this is a book for anyone interested in pondering the evidence and assembling a more complete picture of the historical Jesus.
