Interiors: An Introduction 4th (forth) edition Text Only Karla Nielson

Interiors: An Introduction, offers an introduction to the elements of residential and commercial interior design. Its purpose is to introduce the philosophy of interior design and to encourage an appreciation for fine design wherever and whenever it is found. To achieve this goal, the text presents timeless design principles and elements and their application to interiors. In addition, the authors make the student aware of the numerous choices of materials, furnishings, and components that are used in interior design.
