KTKT Weekly Music Charts: 1972 - 1976 Frank W. Hoffmann

KTKT was the leading Top 40 AM radio outlet serving the Tucson market during the post-World War II period. This volume reproduces many of the station's pop music surveys during the 1962-1976 period. The 1962-1966 and 1967-1971 charts have also been covered in a previously published volumes. Like the other radio charts titles, my goal was to provide a convenient chronological compilation of weekly surveys with corrections of the considerable errors found in both the original sources and in translation to online sites. These radio charts – which exist in the public domain – can be found in a multitude of sources, including original published sheets distributed via retail outlets, mail inquiries, etc., notation of on-air broadcasts, back issues of area newspapers (where stations are located) and music trade periodicals, specialized reference books, and websites interested in historical documentation, most notably, Oldieslooon, musicradio77, and ARSA. I employed multiple sources in the compilation of each radio chart volume in order to provide the most accurate data possible.
