Psychiatric Clinical Pathways: An Interdisciplinary Approach

Psychiatric Clinical Pathways: An Interdisciplinary Approach

This definitive work is the first book of its kind to compile all the clinical pathways needed by the psychiatric nurse. Each pathway is easy to follow and use, and includes expected outcomes and common variances. The information in this book is both theoretical and practical, ready to use in any psychiatric health care setting. The authors of this volume longed for such a resource when implementing critical pathways in their settings, but none existed.
