*"Are You My Baby's Mother?"*

Billionaire Alex Dalton has had more than his share of women. But now he needs just one—Julie Bartlett, the fiery redhead who'd once given him the hottest night of his life. Was she the mother who had left a baby on the Dalton doorstep? When a paternity test proves inconclusive, he needs Julie's DNA to determine if it is Alex or his twin brother who's now a father. But when Julie refuses to cooperate, Alex vows to tempt her into giving him *everything* he wants.
