Drop and Give Me Twenty Holly Days

Still grieving the tragic loss of her fiancé in a car accident two years earlier, twenty-two year old Samara has let herself go. Too many nights bingeing on wine and take-out has taken its toll on her body and as a result, her family doctor arranges a personal training session with his nephew - otherwise known as, the Terminator. When Samara meets the very hot but aloof 'Terminator' at the beach for training, something stirs inside of her. Anger. Lots and lots of it. Everything about this arrogant man annoys her. She resents his bossy nature and his demand for absolute obedience during their training sessions. But all that anger eventually transforms into a sizzling sexual attraction that Samara simply cannot deny. Not only this, Samara soon discovers that her feelings for her personal trainer quickly develop into something deeper. The trouble is, getting through the Terminator's tough exterior is like chiselling granite with a blade of grass. And even if she manages to break through, will Samara be able to handle the dark secret buried deep inside the Terminator's heart?
