What kind of personality does a Greyhound have? How do you know if your Greyhound is ill? And what's the best way to train this breed? You'll find all the answers you're looking for in this comprehensive book. It's been written by an experienced veterinarian, Dr Gordon Roberts. Dr Roberts is passionate about preventative care for all dog breeds, and he owns a total of eight animal hospitals around the UK. In this book, he has shared a wealth of valuable advice and information. You will learn:

- All about the Greyhound's unique personality and temperament
- This breed's fascinating history and origins
- How to tell an ethical Greyhound breeder from an unscrupulous one
- How to spot a Greyhound puppy with a good temperament
- The proper way to look after the Greyhound's coat
- Specific health considerations for this breed
- Proven ways to train your Greyhound and keep him happy
- Invaluable information on body language, pack leadership and socialisation
- And much more...

This book should be kept somewhere safe and referred to throughout your dog's life. Dr Roberts has added some specialist health information to the book that you won't find anywhere else. This includes a detailed, comprehensive guide to the most common dog diseases with information on signs, symptoms and possible treatments. You'll also find a useful list of medications with important information such as side effects and doses.

This expertly written book is designed to help you become a confident, competent and knowledgeable Greyhound owner. We hope you enjoy reading it!
