**How to be Successful at Work and Successful in Life: Success Secrets From Powerful Women** Kate Robinson

We all need inspiration in business, some of us more than others. Inspiration often leads to success and success can breed more inspiration. Think of it as a positive cycle which can have constructive and affirmative effects on your working life.

In **Kate Robinson's** book, aimed at business women in today's workplace, **How to be Successful at Work and Successful in Life**, powerful and successful women will inspire and advise you on how to be powerful at work while being successful in life and still remain feminine.

Tackling discrimination in the workplace, it looks first at the impact of things like Pregnancy and family, Appearance, Physical ability and wages, then moves on to discuss how women can build up confidence in subtle yet potent ways.

From dressing for the part and using body language and speech, right down to pretending you are confident, there are dozens of tips and tricks waiting to be revealed.

Life for women in today's workplace is complicated by many issues, but that doesn't mean they are insurmountable. With important advice from successful and inspirational women who have made it to the top, this book will help you to improve confidence, seek constant improvement and above all learn how to be successful in a constantly changing and challenging business world.
