## **Humanitarian Logistics: Meeting the Challenge of Preparing for and Responding to Disasters**

In 2007, there were 34 armed conflicts worldwide. That same year, a total of 414 natural disasters affected 211 million people. *Humanitarian Logistics* examines the challenges facing those whose role it is to organize and distribute resources in difficult situations. This multi-contributor volume includes insights from some of the world's leading experts in disaster relief. It examines key issues including warehousing, procurement, and funding.

With particular focus on pre-disaster preparation rather than post-disaster assistance, *Humanitarian Logistics* provides current thinking as well as best practice for those who need to understand the many challenges and the ways to respond effectively.
