## **Lecturas adolescentes (Spanish Edition)** Teresa Colomer

Qué sabemos realmente sobre los hábitos lectores en los adolescentes? Qué hacen los diferentes países para incidir en su formación lectora desde la escuela? Qué ofrece la producción editorial al público de esta franja de edad? Cómo se combina la ficción literaria con nuevos productos que incluyen la imagen, el audiovisual y las nuevas tecnologías? En los años en que los chicos y chicas se encuentran en la etapa educativa de la enseñanza secundaria obligatoria, la lectura les presenta el reto de un salto en sus capacidades interpretativas y en su adquisición de hábitos culturales estables. Este libro nos ofrece la respuesta a las cuestiones planteadas.
