**Slayer 66 2/3: The Jeff & Dave Years. A Metal Band Biography. (66 & 2/3 Book 1)** D.X. Ferris  
Edition v1.9, newly re-edited and re-formatted to address reader feedback, updated May 2, 2014: This timely rock biography answers burning questions, shatters popular myths, and uncovers new truths about Slayer, the iconic group that became the embodiment of heavy metal. This full-length, exhaustively researched account of the thrash kings' career recaps and reevaluates the years guitar hero Jeff Hanneman and drum legend Dave Lombardo were in the group. Over the course of 59 chapters, 400 footnotes and three appendices, it profiles the members and presents dramatic scenes from 32 years in the Abyss: A fresh look at the group's early days. Reign in Blood tours. A European invasion. The Palladium riot. The seat cushion chaos concert. Newly unearthed details from Lombardo's turbulent history with the band. Historical artwork and photos never seen in public before. The entire diabolical discography. Hanneman's hard times. The Big Four's big year. Lombardo's final exit. The top 11 Hanneman tributes. The mosh memorial service. Untold stories. Updates. And relevant digressions, including a contrasting look at other contemporaries and cutting-edge extreme bands. Over decades, Slayer experience triumph and loss, but never defeat, whether it's at the hands of rivals, peers, America's most infamous church, or the United States government itself. In addition to extensive archival material, this book features original content from the band, key affiliates, and firsthand witnesses, including Metal Blade CEO Brian Slagel, former tour manager Doug Goodman, engineer Bill Metoyer, former Metal Blade exec William "DJ Will" Howell, and cover artist Albert Cuellar (who went on to work with Tim Burton, Sublime, and Sir Mix-A-Lot). It also includes Jeff Hanneman's original diagram for the Live Undead picture disc (spoiler: it's a stick-figure sketch). Slayer fans will never see — or hear — the thrash metal champions the same way. 33 photos and 11 illustrations include lost artwork by Hell Awaits artist Albert Cuellar and stunning exclusive pictures by Harald Oimoen (of Murder in the Front Row renown). Written by D.X. Ferris, an Ohio Society of Professional Journalists Reporter of the Year and author of "Slayer's Reign in Blood," which is book no. 57 in Bloomsbury Academic's prestigious 33 1/3 series. The bargain-priced e-book edition features extensive interactive content, and can be read on any smart phone, tablet, computer, or portable communications device (with free Kindle software).

Digital version 1.9 and paperback freshly edited to remove typographical errors; new e-book edition features conventional image orientation, replacing features some readers had interpreted as formatting errors. If you purchased an earlier version, contact publisher for a complimentary update (see end of book for contact information).
