This rate training manual and nonresident career course form a self-study package which will enable ambitious Airman Apprentices of the Navy and Naval Reserve to help themselves fulfill the requirements of the Airman rate. Designed for individual study rather than formal classroom instruction, the RTM provides subject matter that relates directly to the occupational standards for Airman. The NRCC provides the usual method for satisfying the requirements for completing the RTM. The set of assignments in the NRCC includes learning objectives and supporting items designed to lead students through the RTM. The occupational standards used as minimum guidelines in preparation of this manual are to be found in the Manual of Navy Enlisted Manpower and Personnel Classifications and Occupational Standards. Subjects include: Mission and History; Organization of Naval Aviation; Principles of Flight; Aircraft Basic Construction; Aircraft Hardware; Aircraft Power-plants; Aircraft Avionics; Aircraft Ordnance; Support Equipment; Aircrew Survival Equipment; Crash, Rescue.
