Fifty Years of Coronation Street

Tim Randall

Fifty Years of Coronation Street Tim Randall

Coronation Street first hit British screens at the end of 1960, a groundbreaking show based on real life and using accents that had never been heard on British television before. It was an instant hit, and has remained consistently one of the UK's most popular shows ever since. The joy of Coronation Street is in the quality and humor of its writing, and the wonderful characters that have been created over the years. For the first time, here is a book that not only reminds readers of all the storylines over the last fifty years, but also celebrates these two very special things. The book includes profiles of fifty Coronation Street icons—from Ena Sharples to David Platt—and the author has had unprecedented access in order to include interviews with all of those still with us. There are also hilarious extracts from the script and classic lines remembered.
