Once Upon a Time - A Floating Opera (American Literature)

John Barth

Once Upon a Time - A Floating Opera (American Literature) John Barth

John Barth, a moderately successful novelist just turned sixty, decides to take a sail on Chesapeake Bay with his wife, but a tropical storm forces them deep into the Maryland tidal marshes. Lost, Barth takes out his dinghy to search for a way home, but becomes embarked instead on a quest through the murkier regions of his own memory? a semi-memoir, staged as an operatic cruise through desire, vocation, despair, love, marriage, selves, and counterselves.
