**The Chicken Chronicles: Sitting with the Angels Who Have Returned with My Memories: Glorious, Rufus, Gertrude Stein, Splendor, Hortensia, Agnes of God, the Gladyses, & Babe: A Memoir** Alice Walker

Here is a glorious, offbeat, compassionate, and “eccentrically inspirational” (*Kirkus Reviews*) memoir in which Alice Walker shares her experiences raising and caring for a flock of chickens. In pieces that are by turns moving, thoughtful, and utterly captivating, Walker addresses her “girls” directly, sometimes from the intimate proximity of her yard, other times at a great distance, during her travels to Bali and Dharamsala as an activist for peace and justice. On the way, she invites readers along on a surprising journey of inspiration, strength, and spiritual discovery.

Uplifting, heartbreaking, and memorable, *The Chicken Chronicles* lets us see a new and deeply personal side of one of the most inspiring writers of our time. It is also a powerful touchstone for anyone seeking a deeper connection with the natural world.
