Intuición / Intuition: El conocimiento que trasciende la logica / Knowing Beyond Logic (Spanish Edition) Osho

La intuición es la percepción directa de la realidad sin que haya ninguna interferencia de los prejuicios y la ideología de la mente. Es un «conocimiento que trasciende la lógica»; solo aquellos que son capaces de trascender las limitaciones de la lógica y el análisis son también capaces de responder creativamente a las situaciones nuevas y cambiantes que encuentran cada día. En este libro, Osho muestra el camino para eliminar los obstáculos que han sido colocados en el recorrido de nuestra intuición, de modo que esta pueda florecer y proporcionar así un nuevo tipo de inteligencia y plenitud a nuestras vidas.
