The Remingtons: Nailed by Love

When Brock Westhaven lost his dad, he lost his future. Now the project manager for Aspen Construction, Brock had two goals—to rebuild the family business, and get his still-grieving mother out of her less than desirable circumstances. His plan was simple until Charlotte Cruise appeared.

Charlotte Cruise lost everything to corporate greed. Despite a deathbed promise to her cancer-stricken mother, Charlie wasn't a real activist. So when the construction company responsible for her mother's death showed up with yet another potentially lethal project, Charlie chained herself to the front door to stop their progress. She wasn't expecting the project manager to be tall, dark and unforgettable.

Two lives pushed together by fate and torn apart by circumstances. Can they beat the odds and give into their desires, or will their stubborn dispositions get in the way of true love?
