Erin needs Sheik Kamal more than ever.

After being taken hostage by Kamal's enemies, Kamal entrusts the Head of Palace Security, Talib, and Erin's personal bodyguard, PJ, to recover his captive bride.

When PJ is sent to retrieve Erin the last thing she expects is to fall for her partner. Talib is dangerously handsome, with a deep tan, luxurious black hair and piercing brown eyes. He is a man used to being in control and gives off an air of effortless authority. And when his hands touch her, PJ feels an unstoppable attraction from deep inside. Even his scent overloads her senses and made rational thoughts difficult. This mission was going to be very frustrating.

Talib has never met a woman like her. Her American ways confuse him: her lack of respect for tradition, appropriate clothing and feminine behavior causes them to clash. But he soon finds she has unexpected strength, a fire that challenges any man who thinks they're better than her. She is tough, strong and never backs down from a challenge – even if that challenge comes in the form of a gorgeous 6'5" man. He wants her to surrender to him, but it may be him doing the surrendering.

However both of them will have to hold back their attraction until the mission is completed. Any relationship between them is strictly forbidden. It's a race against time to locate Erin and bring her back to Kamal. Every second Erin gets closer to the border and the chances of rescue get slimmer and slimmer.
