Dancing in the Fire: Stories of Awakening Within the Heart of Community

Dancing in the Fire is a collection of nearly forty personal accounts of stable, non-dual, embodied enlightenment, the self-realization found in Waking Down in Mutuality. These stories, poems, letters, journal entries, and interviews describe a journey of mental, emotional, and spiritual exploration, always mysterious, sometimes harrowing, leading to a Second Birth, the Waking Down term for awakening into life as the divinely human. There's a secret to this book: it's contagious. The Waking Down community has found a way to naturally share a "transmission" or energy of personal evolution and awakening. Sometimes readers will find they are starting to experience transformations simply by reading. The message in this book is deceptively simple and clear: you can awaken. It's possible NOW. Everyday, ordinary people are doing it, and so can you with the guidance of an awakened, loving community.
