Piper and Oscar are back, bringing hot gay studs into four new marriages!

Based on the success of their first collaboration, they've decided they want to **do it again...** with **four more** stories about horny wives who make their **husbands get nasty with other men.**

Piper's wives watch their husbands take--and get taken by--**horny studs** who want to introduce them to the taste of juicy man meat.

Oscar's husbands **bend to the pressure** of their lusty wives, and **get off with guys for the first time** while their wives watch and play with themselves.

Four stories...can it get any **hotter and stickier** than that?
