## **The Essential Guide for Beating Temptation**

Falling for temptation isn't inevitable. We don't have to lose the fight. In fact, we can win if we understand the root of the problem and what Christians have done from the beginning to beat it. *Our Favorite Sins* shines a much-needed light in our lives' dark corners and reveals the time-tested methods for getting victory over sin.

**Are you tyrannized by your own desires?**

**If you are breathing, your answer is probably yes.**

**The question is: *What are you going to do about it?***

With more than thirty years of pastoral experience, Todd D. Hunter knows that most people?himself included?struggle every day with temptation. All too often, we fail and fall, and some of us are at our wit's end, utterly defeated. What do we do to get a grip on the sin in our life and live like God wants?

There's good news: despite all our failures and shameful "moments after," there really is a way out, a way forward, and a way that draws us closer to the life that God desires for us.

In *Our Favorite Sins*, Hunter cracks open the problem of temptation and points to practical, biblically based, time-tested solutions. First revealing the role played by our disordered desires, Hunter shows how different temptations trip us up and how we can resist and overcome them, even if we've fallen prey to them for decades. Victory starts with reordering our desires, and the church has given us the tools for the job. Hunter shows us how to use them and start beating the temptations that so often beat us.

Informed by exclusive research from the Barna Group, *Our Favorite Sins* offers a view that works for any believer wherever they are and no matter how big the battle they're fighting.
