## **Return to Paradise** Carol Grace

Rancher Parker Robinson was having one of those weeks. His cook quit and his daughter was trying her best to get expelled from boarding school. To top it off, he found a strange woman on his ranch who didn't know who she was! What he knew was that she was off limits. She could be another man's wife!

Christine couldn't remember her name or how she got to the ranch in the middle of Colorado. All she knew was that she'd landed in some kind of paradise where men were rugged and women were cherished.

Somehow she had to find out who she was, where she came from and most important - was she free to love again?
