Charter Schools and the Corporate Makeover of Public Education: What's at Stake? (Paperback) - Common By (author) Michelle Fine By (author) Michael Fabricant

This book will reset the discourse on charter schooling by systematically exploring the gap between the promise and the performance of charter schools. The authors do not defend the public school system, which for decades has failed primarily poor children of color. Instead, they use empirical evidence to determine whether charter schooling offers an authentic alternative for these children. In co...
