One Husband. A Billionaire. A Missionary. A Sheriff. And a wife who likes to watch.

This four-book bundle explores the exploits of Faye and Ben Richardson, a happily married couple whose life changes dramatically after a chance encounter with one of the world's richest men.

She Watched Her Husband with the Billionaire

Faye and Ben Richardson are **happily married** and spending their first anniversary in New York City, a far cry from their home in rural Kansas.

Dominic Daumier is **a worldly billionaire** with more money than sense and a very particular predilection.

After a chance meeting, Dominic makes an **indecent proposal** that the Richardsons just can't refuse.

The Richardsons embark on a **journey of self-discovery** that will alter *everything* they know about themselves.

They really aren't in Kansas anymore.

She Watched Her Husband with the Missionary

Faye and Ben Richardson return home to the farm, deeply changed by their experience with billionaire Dominic Daumier.

Soon, they find themselves yearning for **a new experience**. But back at home in Kansas, they aren't sure they'll ever find the opportunity.

Opportunity *literally* knocks on their door. Curious and wide-eyed, Elijah Whitbread, a local **missionary**, longs to be *filled with the spirit*.

Once again, Faye **gets to watch**.

She Watched Her Husband with the Sheriff

It's never a good sign when the sheriff comes calling. Faye and Ben Richardson's little secret isn't so secret anymore, it seems. And the local sheriff just so happens to have a very personal stake in their most recent exploit.

With their reputation endangered, the Richardsons must persuade Sheriff Zachary Whitbread to reconsider his threat to out their *particular predilection*.

This **man in uniform** is happy to look the other way, though. But as Faye and Ben learned in New York, there is always a price.

Again, Faye **gets to watch**. But this time, she'll get more than she bargained for.

She Joined Her Husband with the Sheriff

Nearly a year has passed since billionaire Dominic Daumier broadened Faye and Ben Richardson's horizons. During that year, much of their time has been spent with local town sheriff, Zachary Whitbread.

Even though Faye **always gets to watch**, she's found herself longing for *more*.

Lucky for her, Ben and the sheriff have planned a special birthday surprise. And Faye might have one particular wish come true.
