Guide To Investing in Gold & Silver: Protect Your Financial Future Michael Maloney

The highly anticipated 2nd edition of the **best-selling gold and silver investing book of the century**. Completely revised, with over 100 entirely new pages of content.

"Throughout the ages, many things have been used as currency: livestock, grains, spices, shells, beads, and now paper. But only two things have ever been money: gold and silver. When paper money becomes too abundant, and thus loses its value, man always turns back to precious metals. During these times there is always an enormous wealth transfer, and it is within your power to transfer that wealth away from you or toward you." - Michael Maloney, precious metals investment expert and historian; founder and principal, GoldSilver.com.

Guide to Investing in Gold & Silver tells readers:

- The essential history of economic cycles that make gold and silver the ultimate monetary standard.
- How the U.S. government is driving inflation by diluting our money supply and weakening our purchasing power
- Why precious metals are one of the most profitable, easiest, and safest investments you can make
- Where, when, and how to invest your money and realize maximum returns, no matter what the economy's state
- Essential advice on avoiding the middleman and taking control of your financial destiny by making your investments directly.
