Contains ROUGH, HARD, and FIERCE - all three books in Colin and Allie's complete story! This boxed set in the Chicago Underground series is over 400 pages.

Meet the woman shaped by betrayal and the man determined to save her at any cost...

ROUGH (Book One)

I'm a cautionary tale. A statistic. A victim. A single teenage mother from the poor part of town. Most of the time I'm too busy working and struggling to care what people think. Survival doesn't come easy.

I have a dark secret, a pressure valve, a rare moment just for myself. On these nights I visit a club. There I find men who give me what I need.

Men like Colin.

But he wants more than a few stolen hours. He demands more than my body. He wants my heart and soul-- my happily ever after. I never thought I'd be Cinderella. I never thought a man that rough could be my prince.

HARD (Book Two)

What Colin doesn't know can't hurt him.

At least that's what I tell myself about the secrets I keep. I don't have a choice, not if I want to keep my daughter safe. And keep him Colin safe too. There are enemies in the shadows waiting to strike from all sides. I'm holding them out with my bare hands, but it's hard not to get crushed in the process.

And the truth has a way of coming out.

If I'm not careful, the past I've been working so hard to hide, the pain I've been fighting so long to outrun, will wipe out the man I love.

FIERCE (Book Three)

I'm torn between what I want and what I need. Between the men in my past and the man by my side. Colin has tried to control me, to use me. But he also guards me so fiercely my heart aches.

Raincheck. Business. Don't wait up. --C

That's the note he leaves for me, as if I could sit around while he fights my dragons. As if I could let himself get killed in some vain attempt to protect me.

There's no protection left for me. No redemption either.

This is my battle, and I've already lost.
