Sex Henry Stanton

Although written well before the explosion of the self-help industry, "Sex" by Henry Stanton is one of the very few publications of the early 20th century that shed significant light on the topic of sex, while presenting it in a less explicit, yet more insightful and informational manner that even the readers of today can relate to.

While beginning with a general description of sexuality and how it has become a widely complicated topic when it comes to the numerous psychological, social and religious elements and concepts that have influenced its development throughout the ages, Stanton gradually leads the reader to a more specific, yet balanced view into the viewpoint of sexuality before the 1920s.

Unlike many other publications of the time, this book does not lean towards a more conservational or repressed viewpoint, nor does it tip the scale in favor of male or female stereotypes. Instead, it offers an interesting and educational glimpse into the path of sexual development as it was seen at the dawn of the 20th century, presenting a genuine outline of how early Americans considered it best to prepare their children for the eventual changes they would go through during their journey to adulthood.

Comprising a total of 50 pages, the book is both easy to read and quite captivating, despite some of the obvious lacks that the time difference of almost 100 years would present to the younger readers of today. Also, it is worth noting that even some of the ideas presented in the book that revolve around the science and biology of sex still hold true after being filtered through the modern scientific advancements that have led to our current understanding of sexuality.

From reader reviews:

Wanda Legros:

Within other case, little men and women like to read book Sex. You can choose the best book if you'd prefer reading a book. Provided that we know about how is important any book Sex. You can add understanding and of course you can around the world by way of a book. Absolutely right, since from book you can understand everything! From your country right up until foreign or abroad you will be known. About simple factor until wonderful thing you can know that. In this era, we are able to open a book or even searching by internet system. It is called e-book. You may use it when you feel bored to go to the library. Let's examine.

Sheilah Harvey:

Book is written, printed, or highlighted for everything. You can learn everything you want by a book. Book has a different type. To be sure that book is important thing to bring us around the world. Beside that you can your reading talent was fluently. A e-book Sex will make you to be smarter. You can feel more confidence if you can know about every little thing. But some of you think this open or reading the book make you bored. It is not necessarily make you fun. Why they are often thought like that? Have you looking for best book or acceptable book with you?

John Fouts:

What do you concerning book? It is not important to you? Or just adding material when you want something to explain what your own problem? How about your extra time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Every individual has many questions above. The doctor has to answer that question because just their can do which. It said that about guide. Book is familiar on every person. Yes, it is appropriate. Because start from on guardería until university need this particular Sex to read.

Ian Bracy:

Information is provisions for people to get better life, information currently can get by anyone at everywhere. The information can be a knowledge or any news even a concern. What people must be consider whenever those information which is from the former life are difficult to be find than now's taking seriously which one is suitable to believe or which one typically the resource are convinced. If you find the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All those possibilities will not happen within you if you take Sex as the daily resource information.
