Augustus Ferryman Mockler-Ferryman (1856-1930) was a British Lieutenant Colonel in British Nigeria.

MOCKLER-FERRYMAN knew his subject well. His earlier works on “British West Africa” and “Up the Niger” showed an intimate acquaintance with the conditions and problems of the country then under the direct administration of the Government, and the present volume, founded partly on these and partly on the writings of other travellers, gives a comprehensive and useful account of British Nigeria and anthropological. The present work may be taken as giving a trustworthy summary of the state religion of the country as was in 1902.

This book originally published in 1902 has been reformatted for the Kindle and may contain an occasional imperfection from the original publication or from the reformatting.
