The Hidden History of the Korean War, 1950-1951: A Nonconformist History of Our Times

I. F. Stone

The Hidden History of the Korean War, 1950-1951: A Nonconformist History of Our Times I. F. Stone
I believe this book serves a threefold purpose. It is a case-study in the cold war. It is also a study in war propaganda, in how to read newspapers and official documents in wartime. Emphasis, omission, and distortion rather than outright lying are the tools of the war propagandists, and this book may help the reader to learn how to examine their output - and sift out the facts - for himself. Finally this book is what it purports to be, not "inside stuff" or keyhole revelations but the hidden history of the Korean War, the facts to be found in the official accounts themselves if texts are carefully examined and reports collated. -- excerpt from author's preface
