Completely revised to meet the latest Board of Nurse Examiners criteria for the NCLEX-RN®, this review book contains over 3,500 questions and answers with rationales covering all areas included on the exam. Two substantially updated introductory chapters discuss studying and test-taking strategies and describe the exam format in detail. Subsequent sections cover adult care, psychiatric care, maternal-neonatal care, and care of the child, plus chapters on leadership and management and law and ethics. Six 75-question comprehensive tests appear at the end of the book. This Third Edition also includes nearly 100 new alternate-format questions.
