From Book 1: *Roxane sucks at love...*

After failing miserably at love, Roxane VanBuren swears off men but not before her determined best friend shows her all the advantages of being single. After a wild weekend full of sex, old-flames, and secrets, Roxane is desperate to forget it ever happened. But she learns it isn't that easy.

Since becoming the President of VanBuren Investments, she knows how important it is for her professional and personal life to remain separate from one another. If the two were to mix, the rumors could possibly ruin her reputation, which is bad for her and bad for business. To avoid that, Roxane allows rules to define and guide her every move. Unfortunately for her, Parker Williams is determined to break them all, one at a time.
