The Etheric Double A. E. Powell

According to esoteric teachings we have an energy body of lighter, less dense material that is connected to our physical bodies. Those who can see it call it the aura and can sometimes tell the state of a person's health by the way it appears. Those who use its energy refer to the force as prana, chi, vital force, orgone or a number of other names. There are seven chakras, or energy points, where this energy collects in the etheric body. Working with the chakras and these spiritual energies can play a big part in the psychic development and enlightenment of those sensitive enough to work on these levels. This book shows you how. Subjects include a chapter on each chakra center; also Prana or Vitality, Force-Centres, Kundalini, Healing, Mediumship, Birth, Death, Mesmerism, Magnetisation of Objects, Ectoplasm, and more.
