Throughout California's history, remarkable women have been at the core of change and innovation. In this unparalleled collection, Gloria Harris and Hannah Cohen relate the stories of forty women whose struggles and achievements have paved the way for generations. These women were strong and determined, overcoming prejudice, skepticism and injustice. Visionary architect Julia Morgan designed Hearst Castle; Dolores Huerta co-founded United Farm Workers; Donaldina Cameron, the angry angel of Chinatown, rescued brothel workers; and silent film actress Mary Pickford helped form United Artists Pictures. From fearless pioneers and determined reformers to professionals from every walk of life, Harris and Cohen chronicle the triumphs and disappointments of diverse women who dared to take risks and break down barriers.
