In this book we will explain that the same God Who created everything on earth by speaking speaks to you throughout every day of your life. This statement may seem incredulous to you, but we will show you from the Word of God that God actually is able to speak to every one of the billions of people in the world at the same time. God wants you to learn how to hear what He is saying to you. Many Christians do not hear God speaking to them because they do not know what the Word of God says about hearing God's voice. You do not need to search your Bible for specific instructions that tell you how to hear God's voice. We have done this work for you. We pray that you will take full advantage of the hundreds of hours we have spent finding these verses of Scripture, arranging them in an orderly sequence and explaining them to you. This book is not filled with theological language that is difficult to understand. All Scripture references that we use are accompanied by a simple and easy-to-understand explanation. Our goal is to simplify God's instructions on hearing His voice. As you study these Scripture references, you will understand the vital importance of learning how to hear God's voice. You decide how frequently you will hear God's voice. If you learn and obey the specific instructions that God has given to you, you will be able to hear God speaking to you continually. We pray that the scriptural contents of this book and our explanation of this Scripture will stir up a deep hunger within you to hear God speaking to you every day of your life. We pray that your life will be transformed as you learn and apply God's instructions for hearing His voice.
